bandit_z11 As far as that old c1500 is concerned...I had seen 4th gen wheels on one or two of the trucks before. But those trucks Tuesday 5 by 5 bolt pattern which wasn't exactly the same as the fourth Jen's. So I was unsure if someone had use adapters or have they had just put on the wheels and it happened to work out.

QUICK DETAIL

rccamaro San Diego, California

rccamaro Finished doing the full detail on the car. Gave her a nice bath then waited a bit for the sun to go down then used the #quickdetailspray to get the dust off then used the #V07 to seal it down! irocz

irocz Inspired by the original IROC-Z coloring and graphics we have developed and are considering offering a ROC Guard package... Distinctive lower gradient stripes made of a thick laminated vinyl to protect from debris.
